The Brand

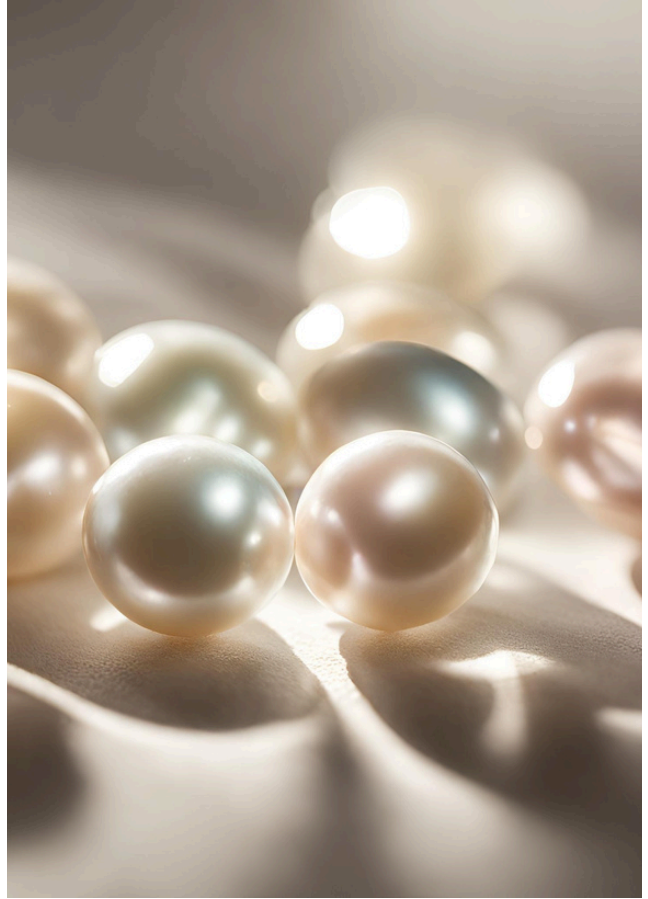

Art is a romantic expression of defining what we create that cannot be explained in terms of its usefulness. An indulgence of impractical extravagance for no other reason than it makes you smile. Some things exist simply to be adored.

I create jewelry
to be worn and
adored so you
can escape the
mundane

THE COLLECTION

From darkness born, a hidden world, A grain of sand, in
oyster curled. Soft whispers weave, through ocean's
deep, In silence, secrets slowly keep.
A touch of time, a gentle sway, In quiet depths, where
shadows play. Emerging light, in pearly gleam, A
metamorphosis, from dream to dream.

In the Mood

The best most beautiful parts of you are born in darkness and weathered by storms—this is a pearls wisdom.
